### Proposal number one, a proposition

Clean Water, Clean Air, and Green Jobs Environmental Bond Act of 2022

<sup>&</sup>quot;To address and combat the impact of climate change and damage to the environment, the "Clean Water, Clean Air, and Green Jobs Environmental Bond Act of 2022" authorizes the sale of state bonds up to four billion two hundred million dollars to fund environmental protection, natural restoration, resiliency, and clean energy projects. Shall the Environmental Bond Act of 2022 be approved

Proposal Two, town proposition one:
The New York Cannabis Law authorizes the State Cannabis Control Board to issue licenses for cannabis retail dispensaries, but allows a Town to "put out" by requesting that such facilities not be licensed within the Town. The Town Board adopted a Local Law making this request which only takes effect if approved by a majority of the Town Electors. Therefore, the question being set forth to the voters is: Shall the Town seek to prohibit the establishment of cannabis retail dispensaries by requesting that the State Cannabis Control Board not license any such operations within the Town?

### Proposal Three, town proposition two:

The New York Cannabis Law authorizes the State Cannabis Control Board to issue licenses for on-site cannabis consumption sites, but allows a Town to "opt out" by requesting that such sites not be licensed within the Town. The Town Board adopted a Local Law making this request which only takes effect if approved by a majority of the Town Electors. Therefore, the question being set forth to the voters is: Shall the Town seek to prohibit the establishment of on-site cannabis consumption sites by requesting that the State Cannabis Control Board not license any such sites within the Town?
